School of Computer Science & IT, DAVV, Indore

CS-6314 Information Architecture

M.Tech(SE &IA) – 1st Semester

Internal Test-1 **Max Marks: 20**

Note: Attempt all questions. Each question carries equal marks.

1. Discuss the five key reasons why Information Architecture is essential in UX design. Use an e-commerce platform like Amazon to illustrate your explanation.
2. Compare and contrast Information Architecture (IA) and User Experience (UX) Design across their definition, primary focus, ultimate goal, core processes, and key outputs.
3. Define Data Architecture and explain how it supports organizational decision-making and digital transformation.
4. Explain Enterprise Architecture (EA) and detail its primary purpose within an organization.
